## VINYL AND MESH BANNERS

Our grand format printers offer seamless banners up to 16 feet using high quality, durable, and fade-resistant inks. Vinyl banners are affordable and versatile signage for property advertising and events. Mesh banners are perfect for very large or high wind applications. Custom banners are made to your size specifications with multiple finishing options available.

**WARNING!** This product can expose you to chemicals, including Methylpyrrolidone and Benzophenone which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, go to [www.p65Warnings.ca.gov](http://www.p65Warnings.ca.gov).

## CLOTH BANNERS

Display cloth banners are a lightweight alternative to vinyl banners and are ideal for indoor applications. The printed surface cannot be scratched, and you can save on shipping costs due to the lighter weight. Wrinkles can be steamed away (do not iron or apply direct heat). Dry clean only.

Vinyl and mesh hems may be stitched or heat seam welded. Please specify if you have a preference.

*In isolated instances, prices may be subject to yield. Custom print prices are based on customer provided artwork and include first proof and one revision (if necessary). Art charges apply with further changes. Creative services available for an additional cost.*

## PROFESSIONAL FINISHING OPTIONS FOR VINYL & MESH BANNERS

- WEBBING**  
(Recommended on large banners)
- CORNER O-RINGS**
- WELDED SEAM**  
(Required on sizes over 16ft)
- VELCRO**

Highlight your property name, amenities, or special events on light poles with double-sided pole banners. We offer time tested hardware that's available in several standard widths. Have existing hardware? We'll size your banners to fit!

**POCKET SIZE SPECIFICATIONS**

When specifying the required pocket size for pole banners, please base it off the size of the pole used for the crossbars. The size should be the outside diameter of the crossbar. Square crossbars will always require a larger sleeve than round crossbars. Please be sure to specify size and round or square crossbar.

Prices are based on double-sided printing on standard widths of 18", 24", 30", and 36" with 3" pockets and trimmed side edges - customer provided art. In isolated instances, prices may be subject to yield. Creative services available for an additional cost.

**WARNING!** This product can expose you to chemicals, including Methylpyrrolidone and Benzophenone which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, go to [www.p65Warnings.ca.gov](http://www.p65Warnings.ca.gov).
