CAPABILITIES STATEMENT

ABOUT FASTSIGNS On Independence:

FASTSIGNS on Independence has been serving the Charlotte community since 1990. We're a part of the FASTSIGNS International, Inc., global franchisor of FASTSIGNS® sign and graphic centers. We are a business-to-business franchise with over 700 locations in 9 countries. Our staff has experienced professionals, tenured industry people who understand that your signs and graphics are the face your business presents to the world. We'll review the principles and priorities that drive your business and work with you to execute your project accurately, on time, and on budget.

Our Mission Statement:

At FASTSIGNS on Independence we believe in helping businesses tell eye-catching stories. We do this by partnering with our clients to find practical visual solutions infused with beauty and creative designs through customizing innovative signs, graphics, printing, promotional products and related marketing services.

Why Us:

Companies work with us because they have a need to solve a visual communications challenge such as building brand awareness, increasing location "findability", promoting a product or service, helping people find their way around a facility or campus, hosting an event, communicating with employees, improving workflow, meeting safety and compliance regulations, etc. FASTSIGNS centers provide consulting, project management, file transfer, design, production, delivery and installation for full range of visual communications solutions.

FASTSIGNS on Independence is independently owned and operated.
